

KABEL BESKYTTELSE

8-14A

FERULE

Jordings ferule af galvaniseret stål.

GROUNDING FERRULE

Galvanized steel

Gevind ferule lavet af galvaniseret stål. Yder bedre tætning og beskytter kabler mod beskadigelse. Giver desuden jordforbindelse, til sikkerhed for både personel og udstyr. Er UL/CSA godkendt, og overholder RoHS direktivet.

Threaded grounding ferrule made out of galvanized steel. Gives better seal and mechanical protection for the cable. Provides grounding for safety of personnel and equipment. UL/CSA approved. RoHS compliant.
